

Design our flag

We have a flag pole but it is bare. We don't want to just flutter our logo, instead we want a flag that is different and original and sums up all that the centre offers:

Adventure – Exciting – Different

Would you like to design our flag and see your design fluttering on our flag pole to be seen by all that visit the centre and use the Thames? If so, use this form to submit your design to us, using any medium or colours but must be able to work as a landscape shape flag.

Closing date for entries is July 31st; and competition is open to all **Senior School pupils**.

It costs nothing to enter and the designer of the winning flag will be able to bring a group of ten friends to Longridge to take part in any activity of their choosing and be invited to the Training Centre opening in September, along with family, friends and classmates to see the flag make it's inaugural journey up the flag pole!

Name _____ Age _____

School _____ School Year _____

Address _____

Email _____ Phone _____

Parent/Legal Guardian Name _____ Email _____

Parents permission to enter (please sign if entrant under 16): _____

If your flag design wins, which activity would you like to do here? Please circle one.

Water

**Kayaking : Canoeing : Dragon Boat : Bell Boat : Rafting :
Sailing : Rowing**
