**LONGRIDGE ACTIVITY CENTRE**

Quarry Wood Road

Marlow  
Bucks SL7 1RE

Charity Number: 1121239

## **Introduction**

Longridge is a charity that operates a 12-acre outdoor activity centre on the banks of the River Thames between Marlow and Maidenhead. Over 80,000 young people visit Longridge every year to take part in a range of outdoor activities, which you can find detailed on our website:

[www.longridge.org.uk](http://www.longridge.org.uk)

We have received funding from Department of Levelling Up to update our facilities, that are old, prone to flooding and in many cases are just not big enough to cope with the numbers of visitors we receive now. As we are seeking to expand and welcome many more visitors, we need facilities that can adapt as we do to an ever changing market. We are therefore seeking to invest in temporary modular buildings that can be moved and adapted.

## **What We Need**

We need to buy modular buildings that can be in place by 12<sup>th</sup> April 2024. They need to deliver the following:

1. To be adapted into a fully functional commercial kitchen the design of which will be sent to you on receipt of your expression of interest.
2. Provide bedroom space for 15 bunk beds split into 3 rooms plus a room for group leaders. As these rooms will be sited next to our main toilet block that has sufficient showers and toilets, there just needs to be overnight facilities in the space.

Both modular buildings need to be able to be raised and be moveable. We have on the next page broken this down on sizing and the other components that any tender should cover.

## WHAT HAPPENS NEXT?

### 1 Submit Tender

Interested parties should in the first instance submit an expression of interest to [Amanda.foister@longridge.org.uk](mailto:Amanda.foister@longridge.org.uk). In response you will be supplied with the building plans for the kitchen and layout for the bedrooms. You will then be invited to submit a tender/quote based on the information provided by the 15<sup>th</sup> March 2024.

### 2 Order

A decision will be made on the 18<sup>th</sup> March and the successful contractor informed on that day and an order placed.

### 3 Delivery

Contractors must be in a position to deliver the cabins by the 15<sup>th</sup> April 2024
